

HOW CAN YOU HELP?

Our 3rd annual VREN (the Valley Real Estate Network) "Making A Difference" Holiday fundraiser has been blessed with a matching fund component of **4 times**.

Our goal this year is \$112,000 with matching funds

We have created 5 levels for the "Power Partner" Club.
A contribution at any level will have a significant impact with the matching fund component.

Can we count on you to be a 2009 Power Partner?
